24th September 2019

Dear Parents,

"How many colours are in the rainbow?"

This term we are following the Cornerstone project "How many colours are in the rainbow?". Amongst other activities we will be:

- doing a teddy bear hunt with orienteering markers
- tasting different coloured fruit and reading "Handa's surprise"
- playing colour matching games
- colour mixing and painting activities
- making coloured snack e.g. smoothies and jelly
- making rainbow pictures
- Forest School colour head bands

Regular helpers

Mrs. Drieu, a volunteer, comes in every Monday morning to do craft with the children.

Mrs. Renault, a volunteer, comes in every Tuesday morning to help to change and talk about library books. She also helps with handwriting tasks.

Mrs. Day, a volunteer, comes in every Wednesday morning to play language and number games.

Mrs. Militis teaches gymnastics to the whole class Gym Tots style every Thursday. Please could everyone wear trousers or leggings on Thursday, not tights, as we do gym in bare feet. Skirts get in the way of some gymnastic movements and long hair needs to be tied back for safety reasons.

Other dates

7 th November	Parent consultations – after school and evening event. More details nearer the time.
15 th November	Children in Need – Pudsey Day
18 th December	Nativity Play in the morning

If you have any questions or concerns, please do not hesitate to come and see me or to email me. There is a copy of my timetable on the main notice board so that you can see when I am in the Nursery and when I am teaching in other classrooms in school.

Yours sincerely,

Mrs. Turner

Our Mission:

'To develop responsible, independent individuals who have the knowledge and attitudes to be successful in an ever changing world'.
