Parents and carers have the main responsibility for safeguarding and promoting their child's welfare.

We recognise the importance of working in partnership with parents and carers to ensure the welfare and safety of pupils.

The school has a statutory role in safeguarding and promoting the welfare of pupils, including the responsibility to refer concerns where necessary.

If you wish to discuss any concerns, please contact a member of the safeguarding team or the class teacher.

If your concerns are out of hours, please either refer directly to the [Children and Families Hub](#), email [childrenandfamilieshub@gov.je](mailto:childrenandfamilieshub@gov.je), or call +44 (0) 1534 519000. Lines are open between 8.30am and 5pm, Monday to Thursday and between 8.30am and 4.30pm on Friday (excluding bank holidays)

**If a child is at immediate risk, call the Police on 999**
