14th January 2019

Dear Parents,

"How does that building stay up?"

This term we are following the Cornerstone project "How does that building stay up?". Amongst other activities we will:

- retell the story of The Three Little Pigs and enjoy participating in the story with Now Press Play
- handle different building materials, practise hammering different surfaces and make mini mud bricks in the Mud Kitchen
- build structures in sand, with recycled boxes and construction kits

Visits

We are going to visit the building site in Les Quennevais of the new secondary school to see how many construction vehicles we can see. We will also walk to Le Rat Cottage and look at it carefully before returning to Nursery and painting our own cottage in the style of Van Gogh.

Thank you to our helpers

Another big thank you to all our regular helpers:-

Mrs. Drieu comes in every Monday to do craft with the children.

Mrs. Renault comes in every Tuesday to help with handwriting tasks and talk about library books.

Mrs. Militis teaches gymnastics to the whole class every Friday.

Thank you also to everyone who volunteers to help with visits and makes the out of school experiences possible.

Other celebrations

Tuesday 5th March

Shrove Tuesday

Thursday 7th March

World Book Day – opportunity to dress up as a book character

Friday 15th March

Red Nose Day – opportunity to dress up in red.

Parent's Evening Thursday 7th March

A letter about this will be sent out from the office nearer the time.

If you have any questions or concerns, please do not hesitate to come and see me or to email me.

Yours sincerely,

Mrs. Turner

Our Mission:

'To develop responsible, independent individuals who have the knowledge and attitudes to be successful in an ever changing world'.
