

## Parking Policy

### Morning drop off

Morning drop off parking outside Nursery is reserved for Nursery parents who have a baby in the car and for parents dropping their children off at Breakfast Club only.

Morning drop off parking in the lower playground is reserved for Nursery and Reception class parents only.

All other parents who need to park in the morning must use the Moignard Liberation Garden or the Parish Hall.

Year 1 – Year 6 parents must drop their children off at the school gate along the back lane (La Route de l'Eglise) where Sean will help them out of the car. As soon as Reception children are ready, they are allowed to be dropped off at the school gate with Sean.

### Home time pickup

Home time parking outside Nursery is reserved for Nursery parents only.

All other parents who need to park in the afternoon must use the Moignard Liberation Garden or the Parish Hall.

Except for Nursery, all parents must join the queue of traffic along the back lane (La Route de l'Eglise) and give their Traffic Card to Sean, who will walk along the lane to collect your card (these are given out to parents on the first day of the academic year). You will be directed to park in the lower car park and your child/ren will be brought back to your car with the traffic card.

It is important that you do not beckon your children over to you as you wait in your car as the children have been told that they need to walk across the car park with the assistance of one of the parking assistants.

Please do not leave your engine running whilst waiting along La Route de l'Eglise as the fumes collect in the lane due to the overhanging trees.

These parking rules are in place to manage the safety of children before and after school. It is imperative that the rules are adhered to.
