

# St. Lawrence Primary School

## Parking Policy

### **Morning drop off**

Please remember that the Nursery parking is reserved for Nursery parents who have a baby in the car and for parents dropping their children off at Early Birds club.

Morning drop off parking in the lower playground is reserved for Nursery and Reception class parents.

Year 1 to Year 6 parents must drop their children off at the school gate along the back lane (La Route de l'Eglise) where Sean will help them out of the car. As soon as Reception children are ready, they are allowed to be dropped off at the school gate with Sean.

### **Home time pickup**

Home time parking outside Nursery is reserved for Nursery parents only.

All other parents who need to park in the afternoon must use the Moignard Liberation Garden. There is no parking available at the Parish Hall while there is building work going on.

Except for Nursery, all parents must join the queue of traffic along the back lane (La Route de l'Eglise) and give their QR code to Sean. You will be directed to park in the lower car park and your child/ren will be dismissed from class by their teachers.

It is important that you do not beckon your child over to you as you wait in your car as there is moving traffic in the car park. Staff will try to bring your children to you, but it is so helpful if you can get out of your car and walk your child back to the car. This really speeds things up.

Please do not leave your engine running whilst waiting along La Route de l'Eglise as the fumes collect in the lane due to the overhanging trees.
